MEGAPAY

by INTELLIGO

Payroll Solutions you can Trust

Medtronic links MegaPay, Intelligo's Corporate Payroll Solution, with Workday Human Capital Management (HCM), allowing for accurate sharing of information between HR and Payroll.

"The link between MegaPay and Workday HCM gives clear visibility on changes made in HR which impact payroll – once Workday is updated, MegaPay will include these changes in the next payroll run."
Payroll Department, Medtronic

Partnership with Workday

Intelligo is a member of Workday's Global Payroll Cloud network of payroll partners, this means there is a solid commitment to work together into the future. Intelligo have a Workday certified connector that links the systems.

Background

Medtronic is a global healthcare solutions company committed to improving the lives of people through their medical technologies, services and solutions. They employ 85,000 people in over 155 countries.

MegaPay/Workday Link

The Payroll Department added, *"the link between MegaPay and Workday has benefited Medtronic by:*

- *Allowing a direct link between HR and Payroll which gives clear visibility on changes being made that impact payroll.*
- *The interface allows for ease of use.*

This link has helped the HR and Payroll team by enabling changes to come through to Payroll – once Workday HCM is updated, MegaPay will include these changes in the next payroll run."

Features and Functionality

The Payroll Department concluded, *"the key features of MegaPay that improve efficiency that Medtronic's Payroll Department values the most are:*

- *Ability to create adhoc reports*
- *CSO and PRSA reporting*
- *Message facility on payslips*
- *Payslip delivery such as ESS, Print, Email, etc.*
- *Ability to see the impact of changes immediately, rather than making a change and reprocessing the entire payroll."*

Working with Intelligo

According to the Payroll Department of Medtronic, *"the main benefits of MegaPay are:*

- *Easy to use payroll system*
- *Excellent customer support*
- *Exceptional reporting capabilities*
- *Flexible application*
- *CSO reporting & PRSA ease of use*

By switching to MegaPay, the payroll process is now more efficient. This has been reflected in our KPIs where time spent processing payroll has been clearly reduced."

“ *"MegaPay has allowed us to be flexible in the movement of employees between weekly and monthly. CSO reporting has been reduced due to standard reports already available on MegaPay. In addition, the ability to rerun end of payroll process allows for amendments to be made in the correct period. Previous system made this process arduous and time consuming."* **”**
