The Hermitage Medical Clinic

**MEGA**PAY

by INTELLIGO

Payroll Solutions you can Trust

The Hermitage Medical Clinic uses Intelligo's payroll software, MegaPay, to manage the payroll for over 600 employees.

## Background

The Hermitage Medical Clinic is a 112 bed private hospital in Lucan, West Dublin. Their specialised medical teams provide medical, surgical and advanced radiotherapy care to patients and are supported by the very latest medical technology. The Hermitage Medical Clinic is committed to providing excellence in patient care and they ensure that patients are looked after by competent and caring staff using state-of-the-art facilities in comfortable surroundings.

The Clinic offers an outstanding level of expertise and cutting edge technology. They have the most advanced diagnostic imaging equipment available today, full Cardiological facilities including a Cardiac Catheterisation Suite and Clinical Laboratory services. The Hermitage Medical Clinic use MegaPay to manage their payroll for over 600 employees.

## Choosing Intelligo

According to Janet Caswell, Payroll Manager for The Hermitage Medical Clinic, "As a Payroll Manager for over 28 years I had used MegaPay in previous roles and found Intelligo's support and payroll software and services better than any other provider in the market."

Janet added, "We find the Report Writer functionality and standard reports excellent for our Finance and Management teams, with particular emphasis on job costing and nominal reports."

## Benefits

According to Janet the key features of MegaPay are:

- Reporting.
- Use of Nominal Reporting.
- Easy to use system.
- Excellent import abilities.
- Frees up processing time.

## Working with Intelligo

A happy customer of Intelligo, The Hermitage Medical Centre rates MegaPay's reliability, quality and ability to meet payroll needs as the highest features when using the software. Janet also noted,

“MegaPay more than fulfils the needs of the Hermitage Medical Clinic as a business and payment processing requirements.”

Intelligo's ongoing work from the Support Team and Project Managers have ensured that The Hermitage Medical Clinic can fully utilise the user friendliness and robust security features of the system to meet their payroll needs.

“MegaPay is very easy to use and the excellent import facility within the software speeds up payroll processing time, allowing the payroll department to focus our time on other areas of the business.”

Janet Caswell, Payroll Manager, The Hermitage Medical Clinic.
