MEGAPAY OUTSOURCED

by INTELLIGO

FCR Media chose Intelligo's Managed Payroll Service, MegaPay Outsourced, to manage their payroll for over 120 employees.

Background

FCR Media provide Business Marketing Solutions to Ireland & UK Customers. FCR Media has a large product portfolio which helps to connect businesses with potential customers that are looking for relevant information.

They offer businesses multiple ways to engage consumers across online, mobile, print and call centre channels as well as providing consumers access to businesses through the channels they are searching.

Why Intelligo?

According to Finbarr O'Connor, Finance Manager for FCR Media - "We chose Intelligo because of their reputation and ability to assist us in our specific payroll requirements. Overall the outsourcing process went very well.

The challenges were initial checks to ensure some of the more complex issues were covered for our payroll for example, maternity and sick pay. We needed to ensure the reports were sufficient to meet our own requirements."

Benefits of MegaPay Outsourced

- Breakdown of Gross to Net for each payroll and control reports.
- Not having to constantly upgrade in-house payroll software systems.
- Intelligo offers excellent advice on payroll requirements.
- Bespoke reports that apply solely to our company and FCR's payroll needs.
- Emailing payslips to employees and PDFs of all employee payslips.

Key Features

Finbarr concluded - "key features of MegaPay Outsourced for us included:

- Constant communication for our allocated Payroll Manager.
- Flexibility in receiving information at any part of the payroll process.
- Over and under reporting."

"We chose Intelligo's Managed Payroll Service, MegaPay Outsourced, over other providers because of its excellent reputation and ability to assist us in our specific needs."

Finbarr O'Connor, Finance Manager, FCR Media.

1 Set monthly fee enables efficient budgeting.

2 No more hardware or software costs.

3 Constant expertise from our Payroll Specialists.

4 Robust data security including disaster recovery.

5 Reduce risk of single point of exposure.
